

## Online Learning: Friday 8<sup>th</sup> January 2021

### Diamond Class

Today, we'd like you to watch the video 'The Way Back Home', <https://www.literacyshed.com/thewaybackhome.html#>, about a little boy who builds himself a rocket and sends himself off to Space.

Create or own alien!

- You could draw, cut and stick, use play dough, paint or use recycled boxes.

What features did you give your alien? Can you count the number of eyes, legs, arms etc you have given it.

- Can you give your alien a name? Maybe the alien's name could start with the same letter as yours? Can you write your alien's name?
- How does your alien move? Move about the room as an alien:

Bounce from one leg to the other  
Roll on your giant belly  
Walk on all fours, using your feet and hands  
Hop, skip and jump

Have fun everyone!

Please remember to email your photographs to:
