

Online Learning: Monday 18th Jan 2021

Years 1 & 2

Watch the story "Winnie the Witch" <https://www.youtube.com/watch?v=5ZqsKlpDu5U>

1. Winnie searched all of space for the perfect planet to land on. Can you use playdough, Lego, paper, craft items and other materials you have in your home to make your own planet perfect for landing on? What is the name of your planet? Does it have space animals living on it?
2. The Space Rabbits did not like the food we eat. They thought it was disgusting! They liked to eat Metal. Draw a plate of healthy foods that you like that the Space Rabbits could try! Label the food on your plate and tempt the rabbits by using exciting words such as 'delicious carrots' 'yummy apples'
3. Find metal things around your home that the Space Rabbits might like to eat! Make a collection and send a picture to your teacher. If you have a magnet, you could see if it will stick to your metal objects.

Remember to send photographs of you and your work to your teachers via email:
