

Online Learning:

Week Beginning - Monday 22nd February 2021

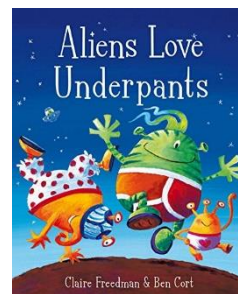

Diamond Class

This week our focus will be the story 'Aliens Love Underpants' by Claire Freedman and Ben Cort. Find out where your missing underpants go in this funny story.

<https://www.youtube.com/watch?v=ADnAGBWlZqE>

https://www.youtube.com/watch?v=7_1-TrP9jwA 5 little men

<https://www.youtube.com/watch?v=wbpCrp2mbjQ> Alien song

Once you have listened to the story and songs with an adult have a try at some of these activities over the next few days.

Our focus in Maths this week is Shape - <https://www.youtube.com/watch?v=OEbRDtCAFdU>
In the story the aliens travel to earth on the hunt for underpants. Can you design your own underpants – template below. Use a selection of different shapes (square, triangle, star) what shapes have you used? Can you label each shape or tell an adult their names?

Can you make a 2D shape alien? Does your alien have a body, head, arms, legs, eyes, ears, nose and mouth? You can use pre-cut shapes and stick them onto a piece of paper or draw the shapes yourself.

Can you name the shapes you have used?

I can't wait to see your shape aliens!

Can you give your alien a name? Maybe the aliens name could start with the same letter as yours? Can you write your aliens name? You could write using crayon, chalk, sand, flour or shaving foam.

Fine Motor - Can you create your alien using 3D materials – you could use playdough, pipe cleaners, googly eyes and pompoms. Focus on rolling, pinching and pressing to develop your motor skills. Count how many eyes, arms and legs your alien has.

Please remember to email your photographs to:

Mrs Parry – chalonerc3@hwbcymru.net
