### Children's Acceptable Use of ICT

*All children (or parents on behalf of our youngest children), must agree to the following in order to use our computer systems and access the internet:*

- ✓ I will only use the school computer systems for activities given by the teacher and only under the supervision of a member of staff.
- ✓ I will use the internet to support learning and only access sites that are safe, approved by my teacher and will help develop my learning further.
- ✓ I will only share my personal usernames and passwords with my teacher and parent/carer.
- ✓ I will only access my own account
- ✓ I will only use information that is not copyright and no material from home should be used on school computers.
- ✓ I will only use the internet to search for things approved by my teacher
- ✓ When communicating with others online I will always be polite and use considerate language.
- ✓ If I have concerns about anything when using the internet or computer system I will tell my teacher immediately

*Agreement/consent is given electronically via our Google Form when children first start school. Reminders of our acceptable use terms are shared with the children annually.*
