

Online Learning: Diamond Class

Tuesday 21st December

Here are a few activity ideas you may wish to carry out over the next few days. All of the activities are based on the story – *The Snowflake Mistake*

Here is a link to the story, read by Suranne Jones

<https://subsaga.com/bbc/childrens/cbeebies-bedtime-stories/608-suranne-jones-the-snowflake-mistake.html>

Can you write the letter 'S' for Snowflake – maybe have a go at writing the whole word.

What other things can you think of that begin with the sound 's'? Go on a sound hunt around your house or garden and take pictures of all the things you find that begin with the sound 's'

Get your bodies moving – <https://youtu.be/tbbKjDjMDok>

Listen to the snowflake song, what type of song is it? How does it make you feel? Is it a lively song or a calming song?

Pretend you are a snowflake falling from the sky, can you float around the room and gently land on the ground. Can you lie on the ground and close your eyes, listen to the song and imagine snowflakes are falling from the sky and landing on your head, nose and hand.

Edible Snow, let's get messy!

You will need a tray, Cornflour, Bicarbonate Soda and water.

1. In a bowl, mix together equal quantities of cornflour and bicarbonate of soda.
2. Once combined, gradually introduce a very small amount of water into the bowl and mix together with your hands.
3. Stop adding water when the mixture starts to hold its own shape, but crumbles when pressed (like snow).
4. Now you're ready to play!
