

Chinese New Year

Watch the story of Chinese New Year:

https://www.youtube.com/watch?v=eVClAj8q_IY

1. Can you make a list of all the animals in the story? You could write their names or draw them.
2. There are 12 animals in the story. Make 12 in lots of different ways. For example: $6+6 = 12$ or $20 - 8 = 12$. Do as many as you can!
3. Which is your favourite animal from the story? Can you make a mask or puppet for that animal? Maybe you could tell a story about it (or just talk about it) and record yourself.
4. Practise your phonics at www.ictgames.com
5. Choose a maths game at www.ictgames.com
