

Chester Zoo

I had a few questions about Chester Zoo — so here's some information and guidance.

We will **leave** at 9:15. Please be in school on time (**8:50**). You are welcome to stand on the pavement by the Doctors and wave us off—if **your child won't get upset**.

We will be back at approximately 2:30.

Your child will be staying in school (well, the zoo!) all day. They must **wear school uniform** and bring a coat/jacket suitable for the weather.

They will need 2 snacks (morning and afternoon). These should be healthy snacks (fruit, vegetables), They will need water to drink.

They will need **lunch** (something they enjoy and will eat—sandwiches/wraps, crisps, biscuit, etc). It's up to you how much you give them. No hot food, no glass bottles. Please make sure they can open the packets.

Remember—they will need to carry their own bag all day. Don't put too much in it!

If you are members of the zoo, **you MUST give me their membership card** (otherwise you will be charge full price),

We have managed to arrange lots of adults (more than the guidance given) —so the children will have a lovely day. We will all stay together.

We will visit the animals the children have chosen to see and we will see as much as possible. There will be a **lot of walking** so we will have plenty of breaks.

I have a walking ladder **just in case** it is needed (I don't think so and would only be used if **absolutely necessary**. Please get in touch if there are any concerns.)

There is no need for any money.

Looking forward to Monday and everyone being completely exhausted on Monday evening!!
